Inspired Crib Bedding

No Winnie the Pooh or nursery rhyme themes for *your* little Einstein. Nothing else will do but **Inspired Crib Bedding** (\$300), a much-needed upgrade on the more traditional baby bedding options. In cool geox patterns and trendy color schemes (aqua & green, orange & green...), this set offers slip covered bumper pads, a comforter, fitted crib sheet and a tailored crib skirt. Throw in coordinating wall hangings and pillows to complete your baby's first taste of oh-so-fab. [\[via\]](#)
