Inspired Crib Bedding

[Inspired Crib Bedding](#) is a company that sells very modern prints for their crib bedding. They have styles for boys, girls, and unisex. Each set comes with a crib bumper, crib skirt, blanket, and crib sheet. The bumper is in four pieces and has slip covers that can be taken off and washed, and the crib sheets have elastic all around them for an extra secure fit. All the bedding is machine washable. You also have the option of buying pillows, hooded towels, wall prints, and much more in your favorite design. They have fun and unique color combinations too. If you are on the fence, order a fabric sample at only \$1.50! It's all made in the USA too.
